2025 ANNUAL REPORT

Dear Friends

Thank you for joining us for a lively year of theatre and theatre arts education! We couldn't do this transformational work without your support. From the rocking fun of *Shrek: The Musical* to the heartfelt joy and sorrow of *Three Sisters* to the moody love and sounds of jazz in *Twelfth Night*, audiences laughed, cried, and sang along with our diverse 2025 season. We are especially proud of our innovative production of *The Effect*, which transformed our venue and provided a truly one of a kind experience. As we play our part to connect our community, you have made possible the deep artistic exchange, creative innovation, and complex conversation that theatre inspires.

Thank you,

Natalia Duncan Macker

Our Programs

ARTISTIC EXCELLENCE

Productions

Off Square Theatre is committed to fostering vibrant artistry, enhancing our craft, and supporting risk-taking while compensating artists for their contributions. We collaborate with local, regional, and national artists to deliver professional productions that delight, challenge, and inspire audiences of all ages.

CREATIVE LEADERS

Youth Education

Theatre develops human beings. We use theatre to increase leadership, resiliency, connection, and self-confidence in our youth as they collaborate, practice problem-solving, activate their imagination and take risks together.

BRIDGING DIVIDES

Outreach

Theatre brings diverse people together and builds community through a shared experience. We're dedicated to expanding our reach to increase connection and build new audiences. We're taking theatre into the community, bringing diverse voices to the table, and partnering to use theatre as a tool for community-building.

ARTISTIC EXCELLENCE

Three Sisters

At the end of May, Off Square Theatre produced a professional staged reading of Anton Chekhov's *Three Sisters*, directed by Allison Watrous. In support of Off Square Theatre's commitment to bringing great works of the theatrical canon to the community, this production created an accessible entry point to Chekhov's works for our audiences.

Madame X

For over 20 years, Madame X has been supporting excellence in theatre arts at Off Square Theatre. The Madame X society is a dedicated group of visionary, creative, and glamorous women who support Off Square Theatre through annual membership. Membership is available throughout the year. With their support, Off Square Theatre was able to host an educational audience talkback following the final performance that included the director and cast.

Read more about our fabulous guest and local artists.

"Great show, talented actors, and beautiful stage design."

"It was a fabulous rendering of Chekhov's great play. The set was so well done... easy to forget that actors were holding scripts."

ARTISTIC EXCELLENCE

Twelfth Night

Thin Air Shakespeare returned to the Center Amphitheater in July with a fresh adaptation of *Twelfth Night*, directed by Edgar Landa and music directed by Clay Humphrey. In classic Thin Air Shakespeare fashion, our rendition of Shakespeare's most musical play placed his iconic characters at the "Illyria Island Resort" in the swingin' sixties. Our fabulous cast of local and visiting artists regaled the audience with the antics of mistaken identity, live jazz music, and newfound love.

"If music be the food of love, play on"

- Duke Orsino

Forever Free

The Midsummer Night's Picnic is a sneak preview performance and gourmet picnic on a beautiful summer evening, kicking off the Thin Air Shakespeare run. The Picnic, audience donations, and an anonymous audience match ensure that Thin Air Shakespeare remains Forever Free for all in the community.

Read more about the play, check out the discussion guide, and see pictures from the production.

"A delightful evening and a fantastic production. I never fail to be impressed."

Clay has jumped at every opportunity to work in Jackson's thriving artistic community. He performs with local artists and ensembles and has participated in numerous stage productions with Off Square Theatre.

ARTISTIC EXCELLENCE

The Effect

In October, Off Square Theatre produced *The Effect*, a new and critically acclaimed play by Emmy Award winner Lucy Prebble. The bold, ambitious and layered production, directed by Michelle Tattenbaum, examined themes of mental health, modern pharmaceuticals, and the nature of love. For this intimate, immersive experience, our designers, led by Jerad Schomer, transformed the Black Box using cutting-edge technology — integrating projections, dynamic sound design, and spatial staging to blur the boundaries between the audience and the performers.

"Off Square has been phenomenal for both of my sons. These types of experiences are crucial for kids. Not only do they learn how to work together, take risks, and speak in public, but acting, like reading, makes them more empathetic humans. It is asking that they truly be someone else and experience the world from a different perspective.

That is beyond priceless."

Thieme Youth Musical: Shrek

Off Square Theatre's annual Youth Musical allows students ages 8-18 to share the stage, learning from one another and developing leadership skills. Our heartwarming production of *Shrek: The Musical* served 60 students in the cast and on the Youth Musical Crew. With three sold-out public performances, two student matinées serving students from four counties, and a micro-tour to Sage Living, *Shrek* inspired our community to let their 'Freak Flag Fly'!

"Off Square is committed to helping students learn, grow, and feel comfortable expressing themselves. I'm constantly inspired by those around me to improve, and the mentors I've met at Off Square have helped me further this growth. Through Off Square productions, I've built confidence, problem-solving and leadership skills, resilience, empathy, the ability to think on my feet, and, most of all, a community I'm excited to see everyday at rehearsal. Thank you, Off Square!"

- Xander Vanier, Thieme Youth Musical Participant/OSP Director

BRIDGING DIVIDES

Partner Spotlights

Laff Staff

Off Square Theatre is proud to partner with Laff Saff improv comedy team to host their shows and workshops in the Black Box Theater. Each show is completely improvised on the spot and created from audience suggestions. By partnering, Off Square Theatre promotes local artists and comedians, offering more performance opportunities and experiences for audiences in Jackson.

Center for the Arts

In January, OST partnered with the Center for the Arts for a presentation in the Center Theater. The Second City entertained a sold-out audience with their 65th Anniversary Show, celebrating The Second City's illustrious history as one of the world's leading comedy troupes. By partnering with the Center, audiences in Jackson experienced these national tours while maintaining accessible ticket pricing.

Off Square Theatre executes a variety of programs throughout the year to expand our impact and catalyze connection across the community. We also provide discussion guides and other resources to support audiences in digging deeper and continuing the conversation beyond the theater.

Youth Musical Tour

Students brought excerpts from *Shrek* to residents of Sage Living through a partnership with St. John's Health Foundation.

Off Script

Through Off Script, community members read plays and theatre-connected books and gather for a lively, casual discussion with Off Square Theatre friends and guests. 2025 included a rousing discussion of *Sing Sing*, a 2023 American prison drama film, directed by Greg Kwedar. The film is based on the real-life Rehabilitation Through the Arts program at Sing Sing Correctional Facility. OST was joined by KHOL film critic Jeff Counts to discuss the film and the importance of the arts within our community.

The Off Square Players

The Off Square Players is a student-driven, professionally mentored production experience that empowers young artists to stage a full-length play from the ground up. Participants take on all aspects of production—including directing, design, stage management, and performance—over a multi-week rehearsal process, culminating in a fully staged public performance. Guided by professional theatre staff and local artists, students develop leadership, collaboration, and creative problem-solving skills while bringing their own artistic vision to life.

Habitat for Humanity

Off Square Theatre Company deepened its commitment to community engagement by partnering with Habitat for Humanity for a volunteer build project. Staff and participants worked side by side with local crews to help construct affordable housing, contributing time and labor to support families in need. This hands-on experience strengthened connections beyond the stage, reflecting Off Square Theatre's dedication to building a more vibrant and resilient community.

Pearl St. Market has been a proud sponsor of Off Square Theatre for seven years. As a downtown business in close proximity to Off Square's home at the Center for the Arts, there's nothing more gratifying than witnessing the vitality that theatre adds to the lives of so many people in the community. The programming and education OSTC offers are integral to the vibrancy and engagement of our small town.
